

2007 Riding Group Survey

December 2006

Please complete and return this survey no later than Sat. 13 Jan 07 by mail, fax or in-person.

Kissell Motorsports Inc. has sponsored a Motorcycle Riding Group since January 2004 - the Nittany Riders Association of Triumph Motorcycles (The Nittany RAT Pack). KMS remains committed to encouraging customers to enjoy their motorcycles, either with other riders or on their own. The expansion to our new location at 1445 West College Avenue in State College will permit more opportunities to host rider group meetings and events for all our customers.

While the Nittany RAT Pack has always welcomed all brands of motorcycles, we will be changing the name of the group to the **Nittany Road Riders** as of January 1 to better reflect the entire line of motorcycles offered at Kissell Motorsports, and to hopefully also provide for interest groups for Triumph, Ducati, Kawasaki and Vespa under that umbrella. Please note the new web address. If there is interest in continuing a riding group, we expect that it will continue to be a dues-free group for riders, organized by volunteers.

We hope this survey will obtain the suggestions of our Central PA customers to improve the opportunities provided by the riding group in 2007. Thank you for taking time to complete and **return the survey by Sat. 13 Jan 07**. You're also invited to attend **2007 Planning & Pizza Meeting** at the new shop on Monday, 15 Jan 07, 7:30 PM, where the survey results will be reviewed.

From Craig Kissell:

Completed surveys returned by the Jan. 13 deadline will be "entered into a drawing for some nice apparel" at the 2007 Planning & Pizza Meeting on Jan. 15.
